

## 1- INTRODUCTION

Pour répondre à l'article 17 de la **loi n°2020-105** du 10 février 2020 relative à la lutte contre le gaspillage et au **décret n° 2021-835** du 29 juin 2021 relatif à l'information des consommateurs sur la règle de tri des déchets issus des produits soumis au principe de responsabilité élargie du producteur d'Equipements Electriques et Electroniques, Mersen communique les informations aux consommateurs français utilisant les produits concernés.

## 2- Règle de tri

La surface de nos produits et de nos emballages étant comprise entre 10cm<sup>2</sup> et 20cm<sup>2</sup>, nous communiquons les informations de tri sur notre site web <https://ep-fr.mersen.com> sous la section Développement Durable.

La règle est la suivante :

## 3- Références produits concernées

Suivant les listes ci après,

**TYPE DE PRODUIT**  
Fusible et Appareillage fusible
